it's

it's a learning journey
 it's a special thing
 it's a kid's thing
 it's all about making them happy
 it's a doddle!
 it's all good!
 it's an opportunity to show we care
 it's about mothers who want
 it's a cool, chill-out area
 it's a good thing
 it's a cry for the children
 it's a living, giving thing
 it's a new address for this young man
 it's a new start
 it's a part of me, it goes deep...
 it's a life changing opportunity
 it's a true love
 it's fine life
 it's a real treasure
 it's a craft
 if it's a problem ...
 find out what it's all about
 when it's a commodity
 it's all that we know
 it's a new art
 it's a favourite dream
 when it's all going downhill
 it's a garden paradise
 it's a song as old as time
 it's a mere technicality
 it's as sweet as honey
 when it's a complete unknown
 it's a contender
 you being happy that's what it's all about
 it's a very satisfying...

it's a... flying house?
 they pretend it's a joke
 it's an expression of the people who live in it
 it's alright (2)
 ... it's a bit more like it!
 ... if it's appropriate...
 But it's all over now
 it's an alternative to conservatism
 it's a very good way to give something back ...
 somebody got to do it
 it's a big but
 it's a major security issue
 it's a step up, isn't it?
 it's a heartache
 it's all so surreal!
 it's also trying to warn us?
 it's as important to me as breathing
 it's a maddening situation
 it's all in your head
 it's all inside churning
 it's a sure thing
 it's a lonely road
 it's a way to stop all this brawling
 it's a sobering thought
 it's a celebration of life
 it's a new frontier
 it's a class thing
 it's all about supply and demand (2)
 it's about facilities available to young people
 it's a wipe out
 that's what it's about, right?
 it's a knock off
 it's all under control
 it's a travesty of justice
 it's all coming together (2)
 it's a man's world
 it's love / hate thing
 it's all going up... in smoke!
 it's a new kit!
 it's a great way to boost self-esteem
 it's a great way to spend your time
 it's a complete new world
 it's a meeting place
 it's Food For Thought
 it's a little gem
 it's a great idea!
 it's as tough as...
 it's an essential bit of kit
 it's a beauty!
 it's all gone now
 it's all a load of rubbish
 it's absolutely bonkers
 it's a universal picture
 it's all going to go away
 it's a simple message
 it's about not running away from responsibility
 it's a great cause
 it's an organisation
 it's a plan
 it's all about how we respond to...

it's a miracle
 it's all too much
 it's all just bits of paper...
 it's a goal!
 it's a load of old balls
 it's a completely different ball game
 it's a way you could save your face
 it's about what's best for you
 it's a talking point
 it's a topic we all have in common
I know it's a lot for you to think about
 spreading happiness, that is what it's about
 it's about making successful communities
 ... that's not what it's about!
 ... that's not the way to do it!
 it's a common mistake to confuse...
 it's a return to innocence
 it's a support system
 it's all about you
 it's alright, a bit on the plain side
 it's a great country
 it's a good thing to do
 it's an ideal occupation
 it's all so vague
 it's a great way to make new friends
 it's about taking action
 it's a wake-up call
 it's agonisingly close
 that's the way it's always been done
 it's a misunderstanding
 it's a move in the right direction
 it's always the basic things...
 it's all Greek to me
 if it's a woman or child
 it's a green village
 it's human sign
 it's all going to the dogs
 it's all messed up
it's coming from the feeling this aint exactly real or
 it aint exactly there
 it's an environmental issue
 it's about friends and family...
 it's about quality time
 it's a solid counter-inflationary plan
 it's all about attitude
 it's all moonbeams...
 it's a healthier life-style
 it's all yours for the keeping
 it's a champion idea
 it's about to be writ again
 it's a new religion
 it's all about how you feel
 it's a problem
 it's a new beginning
 they think it's all over, but...
 it's all mine
 it's a divine building
 it's a great feeling
 it's a win, win situation
 it's an admission

it's a boot
 it's a two second wonder
 they think it's all over but...
 it's almost too late!
 it's a splendid idea
 it's a very snappy idea
 it's a top story
 it's a set-up
 it's an alternative blueprint
 it's a... hierarchy?
 it's a pain...
 if it's a real bargain
 it's a buoyant market
 it's a good job
 it's a done deal?
 ... it's a trick or something!
 if it's a good product...
 it's all good, OK (2)
 it's an easy way to save quite a lot of money
 it's all about accountability
 it's a task best friends can share
 it's a non-event
 ... when it's at home!
 it's a time capsule!
 it's a little too early for euphoria
 it's a wonderful thing to look forward to
